EXPERIENCE

Affirma, LLC
Machine Learning Data Specialist
Nov 2021- Present

- Analyzed and used a wide range of methods to correct the predictions for
- a language based model for productivity applications. Collaborated using
- tools such as GitHub and VS Code to build and deploy code daily.

AFI Tech Solutions
Web Developer
Jan 2019 - Nov 2021

- Main developer responsible for building and maintaining a dynamic
- technology orientated website using the React framework and
- TailwindCSS.

UPS
Freight Supervisor
Jan 2020 - Nov 2021

- Lead a team of individuals in a high paced, high-energy environment and
- used metrics to track and help provide my team with more efficient ways
- of productivity.

TEC Equipment
Inventory Manager/Front Counter Salesman
Jan 2014 - Jan 2020

- Maintained and managed a commercial sized inventory by implementing new
- procedures and dispatching warehouse runners. Daily activities included front
- counter part sales and all shipping duties required to maintain a healthy inventory. Helped customers daily with a wide range of issues.
